

SPORTS

There are several different sports facilities at our school to accommodate a wide variety of sporting interests. The cricket net stands as a hub for budding cricketers, refining their skills in a dedicated space. Volleyball enthusiasts engage in spirited matches on our well-maintained court, fostering teamwork and sportsmanship. The traditional Indian game of kho-kho finds its place, adding a cultural dimension to our sports offerings. Our football field resonates with the energy of players and fans alike, while the shuttle court witnesses intense rallies. Athletics enthusiasts find ample space for track and field events, nurturing a culture of physical fitness. Chess and carrom enthusiasts engage in strategic battles, promoting mental agility and camaraderie. Our school's commitment to a holistic education experience is evident in these diverse sports facilities, promoting both physical and mental well-being among our student's facilities.

CLASSROOMS

MVM classrooms are a modern marvel, equipped with state-of-the-art 65-inch smart TVs that serve as dynamic educational hub. These classrooms boast an optimal student-teacher ratio, accommodating only 32 students, ensuring personalized attention and fostering interactive learning experiences. The seating arrangements prioritize comfort, creating an engaging environment for knowledge absorption. Each student enjoys the convenience of personal cupboards, promoting organization and a sense of ownership. The classrooms are designed to be versatile, providing ample space for various activities, encouraging collaborative projects and discussions. Moreover, the incorporation of SpaceVyo technology allows for the impressive display of students' projects and assignments, enhancing visibility and recognition of their hard work. These innovative classrooms thus create an atmosphere conducive to holistic learning and academic excellence.

KINDERGARTEN ACTIVITY ROOM

Designed to promote holistic development in our pupils, our school activity room is a lively and stimulating area, equipped with a diverse array of Montessori materials. This room becomes a heaven for exploration and learning. From puzzles that challenge cognitive abilities to sensory activities that stimulate various senses, our students engage in a rich tapestry of experiences. The room is strategically curated to enhance fine motor skills through hands-on activities, encouraging precision and coordination. Concept learning activities further broaden the intellectual horizons of our students, creating an environment where education is not just imparted but experienced. This dynamic space serves as a testament to our commitment to providing a comprehensive and stimulating educational journey for every child in our care.

YOGA & MEDITATION

A key component of our dedication to fostering our students' well-being is the yoga and meditation programe at our school. Rooted in the principles of mindfulness and holistic development. Our program encompasses various techniques, with a notable emphasis on Transcendental Meditation. This practice empowers students to delve into a state of deep relaxation and heightened awareness, fostering mental clarity and resilience.

TRANSPORT

The transport services that our school provides are readily accessible to pupils in Puducherry and Cuddalore's primary areas, ensuring that students have convenient access to education. Our fleet of buses not only prioritizes efficiency but also places a premium on safety and comfort. What sets our transport facilities apart is the inclusion of lady attenders on each bus, dedicated to caring for the well-being of the children during their commute. This thoughtful addition not only provides an extra layer of security but also fosters a nurturing environment, ensuring that students feel supported and cared for throughout their journey. Our commitment to safety and holistic student care is exemplified by these measures, reinforcing our school's dedication to creating a secure and conducive learning environment for all.

EXTRACURRICULAR ACTIVITIES

MVM is a vibrant hub of extracurricular activities (ECA), offering students a plethora of opportunities to explore and cultivate their talents. The diverse range includes martial arts with Karate and Silambam, providing avenues for self-discipline and physical fitness. Skating enthusiasts gracefully glide across the rink, while musically inclined students explore the realms of Keyboard, Vocal Music, and Drums. For those with a keen sense of strategy, Chess and Archery beckon, promoting mental acuity and precision. Shuttle badminton enthusiasts engage in spirited matches, showcasing agility and teamwork.

The world of performing arts is well represented with Classical Dance and Western Dance classes, allowing students to express themselves through movement. Aerobics and Artistic Yoga cater to those seeking physical wellness and mental balance. Additionally, creative minds delve into the realms of Wealth out of Waste, where eco-conscious initiatives take shape, and Robotics introduces students to the exciting world of technology. Our school's commitment to holistic development is evident in this rich tapestry of ECA activities, encouraging students to explore, excel, and discover their passions beyond the academic realm.

SAFETY & SECURITY

At our MVM, safety and security are paramount, ensuring a well-protected environment for all. We prioritize health by providing access to pure drinking water through RO systems. Cutting-edge CCTV cameras, RFID, and biometric attendance systems contribute to meticulous monitoring and controlled access, enhancing overall security. The commitment to inclusivity is reflected in the installation of ramps and lift, ensuring accessibility for everyone. Trained security personnel are diligently stationed, and fire safety is a priority with strategically placed extinguishers and fire hoses. Our dedicated infirmary, staffed with a full-time nurse, stands ready to address health concerns promptly.
