Principal's Message

Jai Guru Dev

Dear students and parents

Greetings from MVM Pondy!

We are really glad in getting the students to come to school after a very long wait caused by the Pandemic. We were concerned about our students' well-being and we were trying hard to keep them motivated well aware that we get what we focus on. There are plans to arrange General Health Check-up for all students and provide an additional learning app for the students to encourage self-learning and self-assessment for middle school students.

We also plan to introduce robotics classes. So let us focus on the good things and work together to make a better tomorrow.

ACADEMICS

ONLINE CLASSES

Grade LKG-VIII students continued their online learning through MS Teams app which helped students to participate in high-quality learning situations in a more comfortable learning environment. Hindi and Art classes have been included for the UKG kids from 21.10.2021 to familiarise them with art topics and focus well on spoken Hindi.

We have issued a 100% attendance certificate to the students who attended all the online classes actively.

WORK SHEET

MVM takes constant effort in preparing and issuing the printed worksheets to the students of all grades (**LKG-VIII**) in October and November too helping the students stay at home and reinforce concepts in all subject areas.

READING PRACTICE

The teaching strategy of posting English and Hindi **word wall** in the form of videos and pictures containing an array of words that can be used in reading and writing for grades **I and II** is progressing effectively with the help of our teachers.

ONLINE SUBJECT RESOURCE MATERIAL LIBRARY

It is noteworthy that the online library we have launched offers you access to a wide range of educational resources including Videos, Worksheets, Assignments, Mind maps, and Project ideas on a variety of subjects based on their lessons with pdf download-enabled content. All the materials are vetted and quality checked by our MVM team.

KG ASSESSMENT- 2

Assessment-2 was conducted for the KG students from 27th to 30th of October, 2021 for making inferences about the learning and development of the children. The students wrote the test in their practice notebook by downloading the subject question papers from the school app as per the timetable and submitted the answer script for correction on the mentioned date.

OBTA- 3:

With continuing school closures due to incessant rain, we conducted the Open Textbook Assessment-3 online for the students of grades I – V from 10.11.2021 to 16.11.2021. The students joined through the Teams app and took up the assessment on the day mentioned in the timetable with their camera on for the teacher to monitor them. The students used their test notebooks for writing the test and submitted them for correction later.

MONTHLY ASSESSMENT-3

It is noteworthy that the online library we have launched offers you access to a wide range of educational resources including Videos, Worksheets, Assignments, Mind maps, and Project ideas on a variety of subjects based on their lessons with pdf download-enabled content. All the materials are vetted and quality checked by our MVM team.

PREPARATION FOR SPELLING BEE COMPETITION

Humming Bird Spell Bee Olympiad was conducted as a computer-based test. Our school students of grades III to VIII were provided with this great opportunity to participate in the competition as knowledge of spelling and vocabulary benefits them in all aspects of their learning.

Our school teachers handling English prepared the students for the competition and also the website, username and password details were shared with the students to help them log in and find the preparatory books, concept books and take the mock tests. Also,

we have shared the reading material through WhatsApp. The school handles the registration forms for our students.

PHYSICAL PTM

As the Government of Puducherry has permitted students studying in Std. 1 to 8 to attend physical classes, we conducted a Parents teachers' meeting of classes I to VIII on 30th October 2021 following SOP norms to discuss the guidelines so as to ensure maximum safety of the students and get the consent of the parents in sending their wards to school.

Our principal explained the Standard Operating Procedures followed and also briefed the parents about the scholastic and Co-scholastic activities carried out in our school.

COMPETITIONS

GANDHI JAYANTHI

As a way of paying heartfelt tribute to Gandhiji for all the sacrifices made for the country, we have conducted Online programs for students of all grades. We celebrated the birth anniversary of Mahatma Gandhi with activities like **Pasting woollen thread for the given picture (LKG & UKG), Gandhiji's 3 monkey craft (I&II), Poster Making on Salt Satyagraha with a Slogan (III -V), Writing a short analysis for the movie based on Gandhiji (VI-VIII).** The students participated in the events actively. E-certificates for prize winners and participation were issued through the school app.
